CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

All the departments of our college prepare action plans of curricular, co curricular and extracurricular activities for efficient implementation and delivery of curriculum prescribed by affiliating University that is Shivaji University Kolhapur. For this each Department conducts Departmental Meetings. Though curriculum and syllabus for both B.A. and B.Com programmesare prescribed by Shivaji University, Kolhapur, the college makes well planed academic calendar in consultation with Internal Quality Assurance Cell for the effective implementation of curriculum. Regular Departmental Meetings are conducted for planning and distribution of content of curriculum for each faculty member of the Department .Meeting is held in each department at the beginning of academic year for syllabus-content distribution and various relevant methodologies to be used for effective delivery. Thus integrated time table for all classes is prepared first and then the departmental time table is finalized. Content of syllabus of B.A. And B.com, course methods of delivery and methods of internal evaluation are also finalized while distributing particular topic or subject paper to the faculty members. For this his or her expertise is also duly considered. For the application of the curriculum effectively, library provides hard copies and soft copies of syllabus of every subject to the faculty members. Also copy of academic calendar, academic diaryand total time table of the college are also provided. Teachers are encouraged and motivated to use various Teaching Aids and E- learning recourses.Our class rooms are well equipped with facilities of information and communication technology namely internet facility, computer, LCD projector and screens. Faculties are encouraged to conduct and attend syllabus related workshops.Periodically, Departmental meetings are held to discuss difficulty in actual delivery of the content, monitoring of the quality objectives and assess the attainment records. Records of these meetings are maintained in separate file, each department conducts various classroom tests as per pre-decided internal evaluation pattern for particular year. Also in each semester before university examination

preliminary exam based on university pattern of question paper are also conducted. IQAC monitors this implementation of teaching plans and details in academic calendar. The head of each department informally discuss with Principal about the progression of the teaching learning process at the end of every month. The feedback collected from the students give the idea about the improvement to be carried out in the teaching learning process. The IQAC monitors the overall process through the collection of feedback from students and conducting regular academic audits by the Internal Peers .The IQAC follows robust approach to ascertain the difficulties in the curriculum delivery. They are identified and rectified duly. Slow learners are encouraged to come and do hands -on exercise at their own pace to facilitate self learning. Industrial study tours, case studies, surveys, field visits and excursions, project works and hands on experience. These are the parts of curricular or extracurricular activities. The students are intimated regarding topics to be taught, tentative examination schedule and syllabus completion through website.

Alumni Yes		

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The College collects feedback on curriculum aspects and courses from different stakeholders such as students, alumni, faculty, employers and Alumni. Once the feedback is analysed and valuable suggestions given were considered and necessary actions was executed. Curriculum is designed by the affiliated university. Flexibility in curriculum and need for skill oriented courses was suggested. The curriculum should include advanced learning modules for all undergraduate students. Students suggested the need for job oriented courses, training for facing interviews during campus selection. They also requested to provide career guidance and expert talks by industrialists. Library facilities must be augmented to meet the current requirement of the students to enable efficient learning. As extension activities are part of the curriculum, more activities suiting the current needs were to be organized. Observation of International Yoga Day, SWACCH the BHARAT was carried out. Teacher: Understanding of the subject by the teacher is excellent and quality of the communication by the teacher with the students is found satisfactory in the feedback. Teacher control the classroom with good command and Syllabus completed 100. Availabity of teaching material our Library is equipped with INFLIBNET and circulate books to the students by free of cost. Use of teaching aids is satisfactory. Teacher use PPT, You tube, and various online platforms to cater the teaching needs of the students. Motivation to the students with the help of various guest lectures and subject teachers Parent Make the teaching more practical based and interesting. Focus more on research-based teaching. Learning strategies to expose the students the latest developments in research. Educational environment is a good in all respect. Infrastructure is adequate and faculty members are very qualified and committed to the teaching and learning. Fess structure is moderate and the policy of the institute is to no student is left to get quality education. Placement cell is a very good to arrange various placement drives and experts guidance in the campus. Alumni: Education environment is a very academic and adhere to the strict discipline in the campus and infrastructure and administrative support is a good one. Alumni opine about faculty members is satisfactory. Fees structure of the college is very moderate and without money no student is left from his/her learning. Training and placement program in the college is very excellent because Infosys Ltd. is organizing placement drive for the entire district in the collaboration with our college. Library facility provided by the college is satisfactory. The alumni appreciated the existing pattern of education, they suggested to give more stress to research activities, capacity building and skill training program. CONCLUSION: Thus the feedback given by the stakeholders were analysed and suitable action was taken so as to satisfy the expectations of both students, parents and employers. This further helped us to improvise our curriculum as per the expectations of the stakeholders.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The College has implemented following strategies to evaluate the performance of the students as a part of Internal Evaluation. As mentioned in the perspective plan, the college internal examination committee monitors the entire process of Internal Evaluation Process. The committee works towards making the internal examination process more transparent and objective. In consultation with IQAC, it introduced the following reforms. The committee guided the academic departments to conduct the different types of formative tests so that the fulfillment of objectives of the topics and the learning levels of students get checked. To know the result of teaching and learning process, proper measures have been adopted by the institution for the effective implementation of testing and evaluation process. Reforms have been made where necessary. To lay down the system of continuous internal evaluation, Examination Committee is formed at college level. The committee chalk out the programs and strategies for conducting internal examinations in addition to examinations conducted by the university. After the completion of the topic or unit from syllabus, tests are conducted in class itself to know the outcome. Home Assignments are given on important topics taught and are assessed by concerned teachers. As part of reforms in the examination system students are allowed to make use of texts and reference books in surprise oral tests and prepare the answer of topic or question set for the test. Besides traditional methods such as Home Assignments, new methods such as open book tests, surprise tests, seminars, multiple choice question series, quiz, group discussions, projects were introduced at the level of departments. The faculties are given space and time to conduct such formative tests. These reforms have resulted in increasing the level of acquisition of subject knowledge. The committee prepare the schedule of mid-term examination. The faculties set the question papers as per the pattern of the university examinations. The central assessment is carried out in the college itself. The evaluation reports are prepared within the stipulated time. The results are conveyed to the students in the classroom.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution has a well-planned policy for conduct of CIE. A time table for continuous internal examinations is prepared by the examination committee. The CIEs are conducted class wise by the concerned teachers. As suggested by IQAC the internal examination includes seminars, group discussions, poster presentation, assignments, test projects, etc. These examinations are conducted by every department as per the convenience in the frame work provided by the examination committee. The results of internal examinations are discussed in the class rooms. The feedback is given to the students. The overall performance of every department is discussed in the departmental meetings. Students' academic performance is underlined through the results declared by the University of every Examination. The results are discussed, analyzed in the departmental meetings as well as in a common meeting organized by the examination committee. The college prepares and publishes 'Academic Calendar' containing the relevant information regarding the teaching-learning schedule (working days), various events to be organized, holidays, dates of internal examinations, etc. The academic calendar is prepared so that teachers and students know in advance all the activities regarding teaching-learning and evaluation process and it is also published on the website of the college. Evaluation of students' acquisition of subject knowledge through classroom learning is a significant component of the evaluation. The college prepares a schedule of internal examinations well in advance and brings it to the notice of students. The college follows the structured evaluation pattern for the UG courses.

functioning of the services available in our college in the form of physical, academic and resources. Our college also takes care of repairing, replacement and up gradation of facilities and support services. Our administrative office is responsible for maintenance and care of physical facilities in consultation with the principal. Purchase Committee which includes Principal and senior faculty members take review of facilities and services and also decides future requirements. In the meeting of purchase committee priorities are fixed and important decisions are referred to the College Development Committee (CDC). After receiving permission from IQAC and CDC committees, the purchases and maintenance expenses are utilized as per due procedure. The college has established UGC Planning Board to study the various policies of grants and accordingly proposals are sent to UGC. IQAC and CDC committees monitor the process of maintenance expenses and utilization of funds. The college made contracts for technical staff for the support of ICT facilities. The Annual Maintenance Contract is made by the college with relevant agencies. The college has installed pure drinking water facility with cooler which is maintained by the support staff. An external electrician takes care of electric fittings and wiring periodically. The reports and reviews received from the Purchase Committee are considered during these meetings. The essential and absolute requirements of minor expenses of maintenance or replacements or construction are immediately sanctioned in the meeting. The requirement of large expenses is sent to our institution for approval and funding. Local Management Committee (LMC)/College Development Committee (CDC) monitor overall functioning of facilities and services.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The college had an active Student Council, as per the Maharashtra Universities Act 1994 and Maharashtra Public University Act 2016. There was no provision for student council in academic years 2015-16 and 2016-17 as the Maharashtra University Act was under process of preparation and all the bodies were suspended by the Maharashtra Government. The Students Council was formed in academic years 2013-14, 2014-15 and 2017-18. It consists of student representatives from each class having highest marks in previous years examinations. There is a provision to nominate students representation from various departments such as NSS, Cultural activities and from girl students. Student council plays pivotal role in establishing and maintaining good rapport between the college administration and the students community Apart from Student Council, there is a provision for nomination of students in various committees and cells of the college viz. IQAC,CDC, NSS, Cultural Committee, Sports, Library Committee, etc. Students views opinions and suggestions are taken into account while planning and execution of all activities of these committees. Because of the students' active participation and their useful suggestions, the college has marked remarkable achievements. Student Council proved to be an effective platform for the students to put their demands and requirements, inconveniences and necessities related to all aspects of the institution. It also helped the college to understand the demands and necessities of students and try out the amicable solutions. At least two meetings of student council were organized in every year. Issues like extending library working hours, providing more facilities of drinking water, sports, organization of annual functions, starting of a self funded competitive examination guidance center, Celebration of certain days, felicitation of students for different achievements, organization of Annual Prize Distribution Function and such other issues were discussed in these meetings. The college administration also acts upon in solving the problems and issues raised by Students' Council. It helps to maintain a good and healthy atmosphere on campus. Students' representation and participation in academic committees like literary associations have enhanced their skills like introducing guests, anchoring, participating in debates, organizing functions, etc. Because of this

Student representatives play important role in organization of cultural activities, wall papers, sport events, Seminars, Conferences, workshops etc.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The Alumni Association of Arts and Commerce College, Satara has been registered under Society Registration Act 1860. Since then, the association has been active in bringing together the large number of alumnus. Many of our Alumni have acquired prestigious positions in administrative, social, political, economic, judicial, industry and almost all sectors. The alumni association works at two levels. First, there is a registered body of alumni association, with office bearers and members. It works separately under the auspices of college. The college had invited many alumni placed on prestigious positions and working in different fields to guide and motivate the present students. The alumni also offered financial and nonfinancial assistance such as Water Cooler and books are donated by alumni to library for the event Dayanachi Shidori. The alumni association has also planned of collecting funds for the college. The college has also organized alumni meets consistently on large scale during the last five years namely Farmers Meet which proved beneficial to the farmers from local vicinity as well as the parents of college students who are farmers. In this particular meet the innovations in organic farming were informed by the experts in the field of agriculture. Felicitation of meritorious alumni as a part of motivation to the existing students was also organized. Successful alumnus in civil services and corporate sector are regularly invited for the guidance to the present students regarding soft skills, personality development and process of appearing for competitive examination.

Strategy Type	Details
Admission of Students	Admission of Students: The college set ups admission committees to look into this these issues. Admission is given on the first come first serve basis. The policy of the college is to no students left behind from his/ her basic rights. There is well planned fess structure as per the guidelines of the government. There is online process for admission for B. AI and B. ComI students access college website for online admission. The college committee having full authority to scrutinize the admission forms from the students and check their eligibility.
Industry Interaction / Collaboration	Industry Interaction/Collaboration: The college conduct various certificate courses in collaboration with NGOs and

	<pre>small industrial setups and enterprises even the college conduct formal interactions in the form of industrial meets to develop strategic plan for curricular enhancement and implementation. The IQAC conducts meeting to take feedback of actual action taken and suggests necessary suggestions for enhancement in day today practices.</pre>
Research and Development	Research and Development: The research committee makes efforts to inspire faculty to undertake research activities. As a result, there have been 9 minor research projects completed by the faculty. A boost is given to publish the research papers by the teachers in referred journals and books. The necessary facilities such as ICT center, Internet, recent publications and journals are provided to the teachers. The teachers are always prepared and willing to provide their expertise, knowledge and experience whenever and to whomsoever necessary in the society. A sense of responsibility makes them partake in social work at various levels. The NSS activities involve our students also in such work and a sense of responsibility is developed among them as seen in the incidence of disasters. The college always takes initiative in the
	extension activities and support services. Our students have received awards for their performance in cultural activities. Extension and outreach programmes such as 'cleanliness drive', 'save the girl child', 'water conservation', 'blood donation', 'tree plantation' etc. have been organized regularly.
Examination and Evaluation	Examination and Evaluation: The College has implemented following strategies to evaluate the performance of the students as a part of Internal Evaluation. As mentioned in the perspective plan, the college internal examination committee monitors the entire process of Internal Evaluation Process. The committee works towards making the internal examination process more transparent and objective. In consultation with IQAC, it introduced the following reforms. The committee guided the academic departments to conduct the different types of

	formative tests so that the fulfillment of objectives of the topics and the learning levels of students get checked. To know the result of teaching and learning process, proper measures have been adopted by the institution for the effective implementation of testing and evaluation process. Reforms have been made where necessary. To lay down the system of continuous internal evaluation, Examination Committee is formed at college level. The committee chalk out the programs and strategies for conducting internal examinations in addition to examinations conducted by the university. After the completion of the topic or unit from syllabus, tests are conducted in class itself to know the outcome. Home Assignments are given on important topics taught and are assessed by concerned teachers. As part of reforms in the examination system students are allowed to make use of texts and reference books in surprise oral tests and prepare the answer of topic or question set for the test. Besides traditional methods such as Home Assignments, new methods such as open book tests, surprise tests, seminars, multiple choice question series, quiz, group discussions, projects were introduced at the level of departments. The faculties are given space and time to conduct such formative tests. These reforms have resulted in increasing the level of acquisition of subject knowledge. The committee prepare the schedule of mid- term examination. The faculties set the question papers as per the pattern of the university examinations. The central assessment is carried out in the college itself. The evaluation reports are prepared within the stipulated time. The results are conveyed to the students in the classroom.
Teaching and Learning	Classroom. The admission process is quite
	transparent. The college makes use of all available modes for publicizing information about admission to the students and parents. The slow learners are identified by the teachers and special efforts are taken in their case while the advanced learners are provided with wider and latest range of books and other sources of information. A systematic approach is preparing the

	<pre>teaching plan, academic calendar, examination time table etc. facilities the entry process of teaching learning throughout the academic year, making it student-centric. The teachers are encouraged to attend seminars and workshops to keep themselves updated. Continuous internal evaluation of students is done through unit tests, group discussions, assignments, projects. They have been monitored through IQAC. The College Examination Committee takes efforts for effective conduct of examinations, assessment and redressing examination related grievances of students. Every department finalizes the course outcomes.</pre>
Curriculum Development	Curricular Development: The college makes efforts to put the vision and mission into practice through various programmes. The curricula designed by Shivaji University plays vital role in implementing this and teachers make use of information technology and other advanced teaching methodologies combined with the old lecture method in teaching. Effective implementation of curricula is channelized through academic calendar, academic diary, time table, interactive classroom and library activities. These activities are monitored through IQAC. There is a semester pattern of examination introduced by the university. The college collects and analyses framed
Library, ICT and Physical Infrastructure / Instrumentation	<pre>feedbacks regarding curricula from students, alumni and parents. Library: The college is located in the city and makes maximum use of the available space. The library provides a good series of reading material to the students, faculty and stake holders by making available required books, latest arrivals, CDs etc. and also the internet. The library is automised. It has made ties with nearby college libraries for exchange of books. Our sports persons have displayed nice performance at university, national and international levels, bringing laurels to the college. E-governace area	Details
Examination	Examination: Mechanism to deal with examination related grievances is transparent, time bound and efficient. Examinations are held at the level of college as a part of internal evaluation system as well as university examinations. Grievances from these two types of examinations are redressed

through a system and a proper process laid down by the college and university. Examination Grievances Redressal Committee is set up to solve the problems and grievances arising out of internal examinations at college level. The chairperson of the committee works as a head of the college examination work. Grievances raised in internal examinations are sent to the committee. The Heads of Departments and the faculty assessing the answer sheet are informed. There is a separate provision for redressal of grievances related to university examinations.

University circulars regarding revaluation process are displayed on notice board and accordingly students who have grievance approach the office

for further communication with university examination department. The applications for demand of photocopies of answer book are send by the concern students to the university. There is a mechanism for redressal of grievances concerning evaluation both at the college and university levels. The redressal of grievances at UG Part-I evaluation is made at the college level and the cases of grievances at the Part-II, III evaluation are forwarded to the university. The Internal Examination Committee deals with the grievances related to the internal examinations. The mechanism for the redressal of the grievances is as per the university rules. If any student feels that the score given to him in any paper is not

just, he or she can apply for photocopies of the assessed answerbook. The college collects fees from the students for the photocopy of the answer books. The college provides photocopies to the students. In the second stage, after receiving the photocopy, he/she may confirm

possibility of change in marks in consultation with subject experts and if there is possibility of changes in marks he/she can apply for revaluation by remitting the fees to the college.

The college gets it assessed by appointing subject expert other than the previous examiner. This mechanism

is time bound that is after the declaration of result students can apply for photocopies within fifteen days. After receiving photocopies

	students can apply for revaluation within four days. The process of revaluation is completed within stipulated time.

Also both these cells supervises the audited accout statements of the college.
Student Admission and Support	Student Admission and Support: The teachers have a good personal rapport with their students. The Career Counseling Cell provides guidance to them about the opportunities available

Encouragement is given to the students to participate in sports and cultural activities. The Alumni Association makes every effort to help the alma- mater moving on the path of progress. College Alumni Association is registered under Society Registration Act 1860 which contributes by organizing guest lectures, financial donations, and non-financial assistanc of alumni. The college has developed teaching-learning friendly atmosphere through Student Support and Progression. The college has a transparent mechanism for timely redressal of student grievances including sexual harassment and raggin cases. It is remarkable taking into consideration the large number of female students. The college has a 'Placement Cell' which helps in coordinating all placement activities. The admission process is quite transparent. The college makes use of all available modes for publicizing information about admission to the students and parents. The college set ups admission committees to look into this these issues. Admission is given on the first come first basis. The policy of the college is to no student left behind from his/ her basic rights There is well planed fess structure a per the guidelines of the government.	e g

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Best Practice -I Title of the Practice Modi Script Training Programme Goals: 1) To enable the interested students and citizens read, write and translate the important historical documents which are in Modi Script. 2) To visit the museums to make the learners acquainted with the long preserved historical documents that are in Modi Script. The Context Satara was the Capital of Maratha Empire right from the rule of the great king Chh. Shivaji Maharaj, The official script at his regime was Modi. Modi was used as an official script during the Medieval Period and during the British rule and even after independence upto 1960. So all sorts of documents including birth and death certificates, land revenue records, property and legal documents correspondence and other historical documents were in Modi Script. In order to understand, read and interpret the documents, the knowledge of Modi is necessary Many lawyers, engineers, researchers, teachers, heirs of property are facing the need of the knowledge of Modi Script for various purposes. Taking into consideration the above needs, our institute has designed the course, its syllabus and got approved by Shivaji University, Kolhapur and started Modi Script Training Programme in 2011 and it is conducted every year. Practice 1. The 'Certificate Course in Modi Script' is designed by the faculty of Department of History of our college under the guidance of Pune Archives. 2. The faculty of the Department of History of our college undergone the training organized by Pune Archives. 3. The syllabus and the course programme is approved by the Department of Adult and Continuing Education of Shivaji University Kolhapur. 4. The Training programme is of one month duration and it is conducted at the end of the academic year, in the month of April/May every year. 5. The proper publicity of the course is done through prospectus of the institute, college magazine 'Vidyamrut', news papers, by notice to the students and through contacts. 6. The admission is open to students, teachers, doctors, lawyers, officers, housewives and other interested persons. 7. The fee is charged for coaching, study material, examination, and certificate. The fee is charged as per rules and the guidelines of Shivaji University and the institute. 8. The faculty of the Department of History of

our college work as the trainers and the expert guest faculty is also invited to train the learners. 9. The proper practice in reading, writing etc. is given during the course and the examination is conducted at end of the programme 10. The Certificate of completion of the course is issued by Shivaji University, Kolhapur Evidence of Success The admitted students and other professionals learned to read, inscribe the Modi Script effectively. They have been enabled to read and interpret the age old historical and other documents which are in Modi Script. They can interpret, translate these documents. Many of the teachers and students are benefited by this course. They have used the Modi

Documents in their studies and research. Many lawyers, researchers, scriptwriters of TV serials and other persons who have completed this course are using their knowledge of Modi Script in their respective professions. Some of the aspiring students who have completed this course have started this type of activity on their own. Problems Encountered and Recourses Required There have been some minor problems in running this course 1.Some of the documents in Modi Script are not in good condition. They are worn out. So it created some problems in interpretation. 2. There are some Modi documents scribbled in very different hand and are difficult to read. 3.The Modi Documents are rare and valuable, therefore they are not easily available. Notes The feedback of the trainee has provided us with the need of the course. This course has proved very innovative and valuable. It has also generated income for the institution.

Best Practice -II Title of the Practice :- Dnyanachi Shidori Pohachava Gharoghari (Motivation for Acquiring Knowledge Through Reading) Goals: 1) To inculcate the reading habit among the students by providing the books in free of cost. 2) To let the students select the books of their own interest for reading. 3) To make use of books lying idle with the stakeholders. The Context: In the era of advanced social and mass media, the students are going away from reading books. They indulge themselves in electronic media.. In order to create the interest of reading among the students and develop their reading appetite, the institution started an innovative practice entitled as 'Dnyanachi Shidori Pohachava Gharoghari' (Motivation for Acquiring Knowledge Through Reading). Let the students' read the books as per their own interest and at their leisure. Let them handle and use the books in free of cost. Practice: An appeal is made through local daily news papers to all stakeholders to donate the books, magazines, periodicals etc. to this scheme. These books are collected in the

college library throughout the year. They are listed in the register. The exhibition of these books is made open for the students and other stakeholders in the month of February / March. Students are informed to visit this

exhibition and allowed to read the books and they have been given a book in free of cost to take with them to their homes. They are requested to exchange the books with friends, relatives classmates etc. Evidence of Success During

the academic year 2016-17 our institution collected 345 books from the stakeholders. Dr. Girish Pendharkar has donated cash of Rs. 10,000/- for this event. Ajab Publications, Kolhapur has donated 300 books for this purpose. The book exhibition was held on 20 March, 2017 on the premises of the college by the library. The exhibition was made open for all the stakeholders. A large number of readers have visited the exhibition and hundreds of books were issued to the stakeholders in free of cost. Problems Encountered and Recourses

Required The practice has proved very useful to all the stakeholders. Some of the problems faced are: 1. Some of the books were out of interest of the students 2. Some books donated by the publishers were torn. 3. Large number of books donated by the stakeholders were only of amusement nature Notes The practice has proved useful in inculcating reading habits of the students.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Library as a Resource Centre Library is the soul of any educational institution. It plays a vital role in the overall development of the students, teachers, researchers, social activists, journalists, historians and scholars. It helps to build cultured and learned citizens. The library of our college has been performing a very important role in upbringing all the stakeholders as it has proved a very useful resource centre for the last 40 years since its establishment. It has created its own unique and distinctive identity in the fields of literature, culture, history and politics, research and so on. Distinctiveness of Our College Library 1. The library consists of more than 41,500 books including text books, reference books on various subjects. It has a good collection of CDs and VCDs as well as e-resources. There are near about 50 periodical subscriptions which help the scholars and researchers to undertake and pursue study and research. It has nearly 1600 Bound Volumes of Periodicals which are useful to researchers. 2. The library received 1355 books from the Siddhivinayak Charitable Trust, Mumbai which have been distributed in free of cost to the poor, clever and needy students. 3. Dr.Babasaheb Ambedkar Research and Training Institute, Pune donated 11,900 books of RS.28,50,000/- in the year 2014-15. These books have been distributed free of cost to students, teachers, schools and colleges, senior citizens, social activists, public libraries etc. to inculcate human values and build national integration. 4. The library has presented and made a good collection of very Rare Books, approximately 70 in number which were published 100 years ago. 5. The library motivates the students to read and use more and more books by way of honoring them with 'The Best Student Reader Award' every year at the time of Annual Prize Distribution Function. 6. The library has open access to all the stakeholders including Senior Citizens, Government Officials, Industrialists, Script Writers of T.V. serials and films, students preparing for competitive examinations, paper setters at University and Competitive Examinations, Authors, Social reformers, researchers and so on. Many of them have been benefited and they have appreciated the Institutional Social Responsibility of the library. 7. Special Book Exhibitions have been organized in the college on various occasions viz. the birth anniversaries of Chh. Rajarshi Shahu Maharaj, Mahatma Gandhi, Dr.B.R.Ambedkar, Dr.A.P.J. Abdul Kalam, Swami Vivekanand, Mahatma Jyotiba Phule and Institution Foundation Day, Prize Distribution Function, World Book Day etc. 8. The library has received nearly 1100 very valuable books from the donors. 9. The college library has started an innovative practice Dnyanachi Shidori Pohachava Gharoghari (Motivation for Acquiring Knowledge Through Reading). The library has initiated an innovative Best Practice to inculcate the reading habit of students by providing the books of their interest in free of cost. The books from the donors are accepted throughout the year and exhibition of these books is organized wherein the students of college, alumni and other stakeholders visit the exhibitions, read the books and select one book as per his/her choice and keep it with him/her permanently.
